

Letko, Brosseau & Associates Inc.

## Fixed Income Analyst / Economist

**Letko Brosseau & Associates** is an investment manager with offices in Montreal, Toronto and Calgary. The firm administers portfolios with a value of approximately \$30 billion for clients that include individuals, pension plans and charitable foundations. Our mandates are diversified and entail the management of both Canadian and global equities and fixed income securities. We are fundamental, value-oriented investors with a strong emphasis on in-house research. Founded in 1987, the firm has enjoyed strong growth as a result of excellent investment performance, attentive client service and high standards of business ethics.

We are currently in search of a **fixed income analyst/economist** to join our team of securities managers and analysts. This position is to be located in our Montreal office.

Working with other fixed income analyst/economists, the successful candidate will be responsible for assessing global macroeconomic conditions. Tasks will include forecasting different countries' economic activity through data collection and analysis. The position also entails keeping track of market trends and helping identify and analyze suitable fixed-income investments within the government and corporate sectors.

A master's degree in finance, economics, business or other relevant discipline is mandatory. This position will appeal to thoughtful and creative individuals who have strong analytical skills and a keen interest in capital markets and investments. Self-motivation and the ability to work independently are required. Strong writing skills would be an asset.

Interested candidates should forward a covering letter, resumé and academic transcripts (undergraduate and graduate) to **Joel Kaczor - [joel.kaczor@lba.ca](mailto:joel.kaczor@lba.ca)**.
