

Letko, Brosseau & Associates Inc.

Equity Analysts

Letko, Brosseau & Associates is an investment manager with offices in Montreal, Toronto and Calgary. The firm manages approximately \$30 billion on behalf of clients that include individuals, pension plans and charitable foundations. Most of our mandates are diversified and entail the management of both Canadian and global equities, as well as fixed income securities. We are fundamental, value-oriented investors with a strong emphasis on in-house research. Founded in 1987, the firm has enjoyed strong growth as a result of excellent investment performance, attentive client service and high standards of business ethics.

We are currently looking for equity analysts to join our investment team. Equity analysts are responsible for developing in-depth knowledge on one or more industries and companies within these industries to help identify suitable investments. The scope of this position is global; it includes the analysis of industry trends as well as the review of individual companies worldwide. Analysts make forecasts and produce valuation models resulting in substantial portfolio investments. The work includes regularly meeting with the management of publicly traded companies and visiting their operations.

Candidates should ideally have a master's degree in finance, economics or business. In addition, an engineering, science, mathematics, chemistry, biochemistry or other health-sciences-related degree would be useful. Self-motivation and the ability to work independently are required. This position will appeal to individuals who are thoughtful, creative, have strong analytical skills and a keen interest in capital markets.

Interested candidates should forward a covering letter, resumé and academic transcripts (undergraduate and graduate) to **David Després - david.despres@lba.ca**.
